Profile

A developer with hands-on experience in Java, C++, SpringBoot, Web development (React JS) and Testing using Selenium. Known for being hardworking, dedicated, and highly reliable, I consistently meet deadlines and take full ownership of my responsibilities. Skilled in client communication, meeting deadlines, and building impactful solutions. I'm a fast learner and team player, ready to bring real value to your organization.

Education

Sri KrishnaCollege of Engineering and Technology (2022 - 2026)

B.E - Computer Science and Engineering | **CGPA :** 8.07/10

St Jude's Public School & Junior College

12th | **Percentage :** 91 / 100

10th | **Percentage :** 84.5 / 100

Technical Skills & Soft Skills

C++ | Java | Selenium | JavaScript | TypeScript | HTML | CSS | MySQL | GitHub | RESTful APIs | Bootstrap | Tailwind CSS | Figma | Springboot | AWS | Microsoft Clarity | Google Pexel Code | Postman | Google Conversion Tags | React JS | Strong Communication | Client handling | Quick learner | Adaptable | Team Player | Leadership Qualities | Deadline and result oriented | Problem Solving | Analytical thinking

Internship Experience

SEP 2024 – JULY 2025

Serving as a **Full Stack Web Developer** at **Tloomy**, a growing startup focused on innovative web solutions.

Day Out Booking Page | Link : <https://rashiecotourism.com/bookings>

- Contributed **50% of the frontend** work with full ownership of the booking page and core logic.
- Integrated Microsoft Clarity, designed HTML mail templates, and ensured secure API communication, enhancing UX for **7,000+ monthly users**.
- Built the **complete frontend for Booking Engine**, handling API integration, session storage, debouncing, and booking flow.
- Tech Skills :** React JS, Microsoft Clarity, Google Conversion tags

Shilhaandara | Link : <https://shilhaandara.com/>

- Developed the Shilhaandara **Resort website** with over **75,000+ monthly users**.
- Implemented seamless form integration to ensure **smooth interactions and efficient data capture**.
- Added Microsoft Clarity for real-time insights, error tracking, and ad optimization.
- Tech Skills :** HTML, CSS, JavaScript, Microsoft Clarity, Google Conversion tags

Compass Groups | Link : <https://compassgroups.in/>

- Developed the Compass Groups **real estate website** with a clean, responsive UI.
- Integrated **dynamic content sections** showcasing all their properties along with their categories.
- Tech Skills :** HTML, CSS, JavaScript

Guhaantara | Link : <https://guhantara.com/>

- Built the Guhaantara **Resort website** with a stunning UI, responsive and performance optimizations.
- Added lazy loading, domain-based number switching, and smooth form integration.
- Integrated Microsoft Clarity for real-time insights, with **monthly users over 85,000**.
- Tech Skills :** HTML, CSS, JavaScript, Microsoft Clarity, Google Conversion tags

Prasiddh | Link : <https://prasiddh.in/>

- Developed a responsive company website to showcase business features and offerings.
- Built an accessible and interactive UI to enhance user experience across all devices.
- Tech Skills :** React JS, CSS, Google Conversion tags

Personal Projects

Full Stack Project – Mobile Recharge Platform

- Developed a full-stack mobile recharge platform with React.js and Tailwind CSS for the frontend.
- Built and managed the back end using Java Spring Boot.
- Integrated MySQL for efficient database management and used Selenium for automated testing.
- Gained hands-on experience in building, testing, and deploying a complete web application

Blockchain-based Voting System

- Developed a Blockchain-based Voting System using React.js, ensuring transparency and security in digital voting.
- Applied Principles & Algorithms to design efficient and secure voting workflows.
- Implemented Multi-Factor Authentication (MFA) and integrated Blockchain with Hyperledger Fabric for decentralized trust management.
- Explored advanced cryptographic concepts like Zero-Knowledge Proofs (ZKPs) to enhance privacy and voter data security.

Certifications

- AWS Academy Graduate - AWS Academy Cloud Foundations

Achievements

- Achieved Pre-Final Round qualification in **Hackfest 2024 Hackathon**, ranking among the top teams out of 600+
- Recognized as Top 5 finalist among 100 teams in the **Alliance Hackathon (2025)**
